Come ride with us into the year of 1987-88! As the car cruises along, watch for the excitement and fun in the activities, sports, organizations, and in the people themselves. This has been a very fulfilling year with new surprises, achievements, success and excitement.

As the car cruises along, take a glimpse at the cars passing by like the passing of the levy. As we turn the corner of the road, we see some young people with beautiful smiles that reminds us of those beautiful, happy smiles on the homecoming queen and attendants. We turn on the radio and hear loud laughter similar to the laughter of the crowd during the fall and spring plays. We then pop in a cassette and listen to the beautiful band music just like the music played by the school marching band. Smoothly, the car runs over a big bump that sets us off on the thought of those smooth bumps, sets, and spikes our volleyball team successfully played. The car continues along the road and we see beautiful scenery of green hilly pastures like those green hills where the golf team completed a winning season. As we drive up a long, slow hill, it reminds us of our cross country runners jogging up hills, as they did at the regional tournament. Then as we go down the hill at a fast pace, we remember the fast pace of the basketball players running down the court. The engine heats up as the crowd did, cheering the boys' basketball team to the SLL, sectional, and district tournament titles. As we slow down through a small town, we recall the slow movements and the strength shown by our wrestlers who qualified six for regional and three for state tournaments. Cruising through the country, the swift flying birds overhead reminds us of the swift flying balls of our baseball team. We stop at an intersection, and as we start off again we hear the roar of car engines around us just like the loud roar of the crowd and cheerleaders at our football games. The power and agility of the vehicle brings to mind our tracksters who completed another successful year with the girls' team finishing the season undefeated. We turn right and the flashing turn signal reminds us of the flashing lights on the dance floor during the prom. We continue to cruise along and we transform our thoughts to the warmth and smiles of our friends and the people we know. As the car reaches the end of the journey, we take a last look at the year behind us before going on to the exciting year of 1988-89. Have a safe trip!

This year's fall play, "Pick-A-Dilly", was a farce based on the reading of the deceased Jason Strong's will. It centered around all the things the heirs would do to each other to receive the largest part of the inheritance and which Dilly sister would end up marrying the wild Texan, Rod. It was a far-fetched play, but a very funny one at that.

The 1987-88 basketball team played well in a year where every team in the SLL had at least three returning starters on each team. Much of the growth and maturity of this team may not be realized until next year, but this year's seniors will be remembered by their teammates as the people who started the Lady Bear program back on the road to "respect" in the SLL.

Individually some of the ladies got special recognition: Sophomore Kerri Hiser received the JV Leadership Award and Junior Jennifer Schaeffer received the Defensive Wizard Award. This year, Deb Elmer received the Coaches Award and also was voted All District 6 Honorable Mention by the area sportswriters. This year's Most Valuable Player Award went to Linda Reineck. Linda also was voted to the Second Team All League and All District 6 Honorable Mention. We will miss our seniors very much next year. They have helped the team and the basketball program a great deal.

The varsity boys basketball team ended a very successful season with an overall record of 18-6. Their league record ended at 12-2 which gave them the league title. The guys also captured the sectional and district titles. The team qualified for regionals, but lost to Highland Morrow. The team was rated 3rd in the Northwestern Ohio Blade Poll, and finished first in team offense and field goal shooting in the league.

The baseball team ended the season with an 11-11 overall record. Though the Bears lost to Bettsville in the opening game of the Sectional Tournament, the squad did finish fourth in the SLL. It was a season of ups and downs. The team would play very well for five or six innings and then would be a victim of circumstances. The first four losses this year were all by one run. Throughout the season, the Bears hit the ball fairly well ending with a team batting average of .300. Defensively, mental and physical mistakes occurred which hurt the squad in some very key ball games. Many times this year the pitching held the team in the game.

This year's team awards went to: Jon Souder, MVP; Kevin Keene, Leading Hitter; and Steve Sneider, Coaches Award. Receiving recognition in the league were: Andy Shammo, 2nd Team, Outfield; Kevin Keene, 2nd Team, Short Stop; Scott Widmer, 2nd Team, Pitcher; and Scott Peck, Honorable Mention, Second Base.

Mrs. Ruth Bowers

Mrs. Mary Ehmke

At the end of the 1987-88 school year, several dedicated staff members retired.

Mrs. Ruth Bowers taught home economics and English at Gibsonburg High School for 26½ years, and five years prior to moving to Gibsonburg. Mrs. Bowers' friendly smile and willingness to give of her time to help her students will be greatly missed.

Mrs. Mary Ehmke drove bus for the Gibsonburg Exempted Village School system for 12 years. The high school students were grateful to Mrs. Ehmke for her willingness to transport them on their many extracurricular trips.

Mr. Frank Thatcher, who was known as "Mr. Handyman" in the system, retired after 24 years of service to Gibsonburg Schools. Mr. Thatcher served as Maintenance Supervisor and Transportation Supervisor. If something needed fixing or if a bus trip needed to be scheduled, Mr. Thatcher was always there to do the job. He spent endless hours making sure the school system was running smoothly.

The 1988 Bears' Tale Staff would like to express our appreciation to these people for their dedicated service. We would also like to wish them many happy years of retirement.

Top Left — Becky Aldrich, Bobbie Aldrich and Bart Ameling dressed for wild and crazy day. **Top Right** — Chrissy Celestino held up by an unknown assailant. **Middle Left** — Doug Claypool refuses to look at the photographer. **Middle Right** — Typing I class typing letters. **Left** — Susan Adams concentrates on her drawing. **Above** — Freshman English class reads an assignment in their literature books.

End of the journey. We have driven throughout the year and the car is now empty and the driver is worn out. We have seen excitement and fun surrounding the school's activities, sports, organizations and the people themselves. It has been a fulfilling year. At long last, we have reached the end of the journey before going into the year of 1989!
